About Pear Tree Education

Pear Tree Education is about to change your idea of summer camps. With any Pear Tree summer course, your child will spend as much time as possible outside, experiencing education hands-on in the open air. Your child will learn and experience diverse skills and goals, such as multidisciplines (science, math, social studies, and language arts), creativity, teamwork, technology, public speaking, sports, and critical thinking. Furthermore, Pear Tree offers some of the most unique educational experiences, connecting education to the community!

If your child has never taken a course with Pear Tree, we’re about to change your understanding of education, too, because Pear Tree Education is Vancouver’s one and only 21st century private elementary school and learning centre. All of our courses are taught by fully-qualified, experienced school teachers passionate about our system of learning. We’re confident you won’t find a better educational summer camp.
Pear Tree’s East Van Summer Camps

Our East Vancouver summer camps are located at Tai-Kong United Church near Fraser St on Elgin St / E 31st. Close to Grays Park and Queen Elizabeth Park, our East Van camps are ideally situated to make the most of education in nature. Choose from 9 weeks of amazing educational camps!

All of our courses are highly educational, but we’ve created some special camps designed to prepare your child better for their next year in school. These fall directly in line with specific subject areas and themes likely to be covered in their new grade. It’s a great way to have a quick refresher class from their previous grade and a jump-start for September. Look out for this symbol: 🎓
Summer Camp Prices 2017

Learn More!
Small and intimate by design, progressive by choice, and innovative by necessity, Pear Tree is a private elementary school that is redefining what it is to teach and learn in the modern world. When students aren’t learning the way we teach, it’s time to teach the way they learn. And that’s what we do.

Visit our website [www.peartree.school](http://www.peartree.school) for more details.
Week 1: July 4th-8th (4-day week)

Nature Explorers
Ages 5-6 🏕️

Join us in a week of outdoor adventures, where we’ll learn about nature and how to take care of it!

We will learn about BC’s old growth forests, build a hummingbird feeder, use natural items to make eco art, and take photography of nature.

Through nature walks, lots of outdoor play, as well field trips to local natural settings, we’re sure you’ll discover something new about nature this week!

Super Scientists
Ages 7-9

Get your lab coats and beakers ready!

Science is always fun when you’re doing the experiments! In this exciting, hands-on course, we’ll be conducting a variety of experiments, learning about the scientific method, carrying out observations and recording data in our science journals, just like real scientists.

Among our activities will be ‘Flubber’ making, dissections, and even kitchen science, where we get to eat our experiments!

Entrepreneurs
Ages 10-14 🏛️

Becoming an entrepreneur is incredibly exciting! You’re involved in every aspect of your business and its products/services! It’s also something best learned about while you’re young and daring!

In Pear Tree’s Entrepreneur course, your child will work in small teams to create a product and/or service, they’ll make their own WordPress website complete with plug-ins, and they’ll give sales presentations.

Entrepreneur is a wonderful course to learn about public speaking, critical thinking, web design, innovation, and collaboration.

In this course, students will learn about Ancient Greek myths and legends, and make connections to how Ancient Greece influenced today's society. We’ll cook food and feast like the Ancient Greeks, create some Greek mosaic art, build a Greek-inspired building and perform Greek Reader’s Theater.

Our course will be concluded with “Mini Olympics”, where students in the course design the activities for all Pear Tree students to participate in! This is a great leadership and community building opportunity.

As painters, we will have lots of time to try different paints and painting techniques! We’ll work with water colour, acrylic and tempera paints.

Our paintings will be inspired by nature, animals, literature, our friends and family, and even the summer weather!

The young artists of this course will have a small portfolio of art pieces to share with you at the end of this week.

Science separates sports amateurs from the professionals.

At Pear Tree, in addition to playing different sports, students will study and implement sports health and food nutrition, make their own smoothies and health snacks, practice special exercising methods (incl. plyometrics), use technology & apps, and develop their own digital training regime.

PLEASE NOTE: Pear Tree’s healthy Hot Lunch Program is mandatory for this course, as food is provided throughout the week. Therefore, an additional $65 must be added to the camp price.
Week 3: July 17th - 21st

Go Green Eco Team
Ages 5-6 🍀

Want to learn about how you can “go green”?

At Pear Tree, you’ll learn how to be better citizens, both locally and globally, through fun and practical ways. We’ll plant terrariums, create our own worm farm, and even make our own eco-friendly soap!

Some great outdoor activities we’ll be doing include participating in recycling relays, as well as storm drain marking to increase awareness about protecting our local salmon streams!

Photography
Ages 7-9 🌟

Vancouver is one of the most photogenic cities in the world, especially in the summer! Join us for a week of capturing this beauty by learning about composition and creating meaning behind photography.

You’ll learn all about basic digital photography techniques and use these to take some great photos. As well, you’ll have the opportunity to turn your photos into cards.

PLEASE NOTE: It is recommended that students bring their own digital camera for this course.

Film Noir
Ages 10-14

Pear Tree is bringing the old with this homage to film noir cinema. We have one week to create, film, and edit a neo noir movie, and we need your help!

With movies requiring a massive team, there is guaranteed to be a role for you: live acting, voice overs, directing, filming, editing, music, or writing. Come and find out if you can make it in the movie industry.

PLEASE NOTE: It is recommended that students bring their own rechargeable digital cameras with a video mode or iPads.
We will explore the roles of various important members of our community, including fire fighters, construction workers, doctors, police officers and veterinarians.

These roles will be explored through art, literature, and dramatic play. Students will take on the roles of different community members, design their own town, and learn how they fit in our community.

Hear ye, Hear ye, all Lords and Ladies! Join us for a week of medieval times.

During the camp, you’ll make shields, create a crown, design a personal crest, build a castle, and design a mini catapult.

This course also includes many drama and public speaking activities, with the opportunity to perform like a person from the Medieval times!

N.B. This class will not participate in any activities related to violence, so no need to ask!

Do you want to learn how to make healthy and delicious snacks and meals? Join us in another week of more cooking and baking! In this hands-on course, you’ll learn how to read recipes and measure ingredients, learn about nutrition and healthy living, as well as the importance of kitchen safety. You’ll visit a local restaurant, too! Each day you’ll cook two dishes, and will take home your own recipe book at the end of the course.

PLEASE NOTE: Pear Tree’s Hot Lunch Program is mandatory for this course, as food is provided throughout the week. Therefore, an additional $65 must be added to the camp price.
Do you like to build things? Are you an aspiring engineer? Then this hands-on exploration course is for you!

During this course, you will learn basic building principals and apply your knowledge by taking part in daily structure challenges!

You will learn how to apply critical thinking skills, how to be a creative designer and problem-solver, and apply math, science and design concepts using a variety of building materials, including straws, paper, clay, blocks, K’Nex, Lego and even eggs!

Super Structures
Ages 5-6

Calling all future movie directors! Using computers and digital cameras, your team will create and direct several of your own animations and short films.

You’ll make storyboards and scenery, and will create your own short animation and film. You’ll learn how to add voice overs, words, music and sound effects. Each day, we will learn a different drama technique, and we’ll even do some of our own acting to film!

PLEASE NOTE: It is recommended that students bring their own digital camera for this course.

Film Studios
Ages 7-9

Dance, theatre, and musical theatre, Pear Tree’s Pearformers course has a little bit of everything of the performing arts! We’re bringing Broadway to East Broadway.

Whether or not your child already does acting, dancing, or singing, in Pearformers we’ll start from the basics and will work upwards to create small group performances. If you’re confident enough to do a solo performance, there’s room for that, too!

Come and discover your inner talents!

Film Studios
Ages 7-9

Pearformers
Ages 10-14

Week 5: July 31st - August 4th
Week 6: August 8th - 11th (4-day week)

Drama 101
Ages 5-6

Let your imaginations run wild in this class! Dramatic play is not only fun and engaging for young children, but it’s an important way for them to explore and make sense of the adult world.

Our drama specialist will engage students in a variety of drama-based games, and provide a safe environment for children to try out different roles.

Students will also have lots of opportunities for play-based learning in our dramatic play centers.

O Canada!
Ages 7-9

Let’s celebrate the amazing country we live in!

We’ll read different stories about Canada and Canadians, make some Canadian food, create some epic pictures and paintings in the style of Emily Carr, learn about some great Canadian inventors and inventions, be inspired by Canadian athletes, and look at Canadian wildlife and nature.

Phew! So much in 4 days!

Book Circles
Ages 10-14

Pear Tree is offering kids the chance to learn how to excel in Language Arts!

By working with engaging and relevant Canadian texts for young readers, students will learn how to truly understand and analyse literature.

We’ll use technology, research, and presentations to further enrich learning. There’ll also be a strong writing element to the course.
In Pear Tree’s Story World camp, we’ll explore graphic novels, picture books and short stories as a way to develop our literacy skills!

Some of the important literacy skills we will practice daily include making inferences, asking questions, and connecting to characters’ feelings in books.

Each class, we will explore different authors and genres. These books will inspire art, drama and other activities. We will even make our own short picture book!

Food, Glorious Food!
Ages 7-9

Yes, food is glorious! Vancouver is such a “foodie” city, with so many different dishes and fresh, healthy things to eat. In this course, we’ll introduce students to basic nutrition, prepare a dish each class, learn about fitness and healthy living. We will do blind taste-testing, make food art, and even take food photography! Students will gain an appreciation for trying new things and how food impacts their body.

PLEASE NOTE: Pear Tree’s healthy Hot Lunch Program is mandatory for this course, as food is provided throughout the week. Therefore, an additional $65 must be added to the camp price.

Young Detectives
Ages 10-14

If you love problem solving, science and a good mystery, this is the course for you!

Through age-appropriate mysteries, you’ll learn about DNA, fingerprints, footprints and other trace evidence, as well as facial composites.

You’ll develop deduction, math skills, problem-solving and critical thinking skills by working collaboratively.

The skills you learn will be put to the test on the final day, when we create a crime scene for you to investigate.
Trout Lake offers a great, safe place for young students to learn about some local wetland animals up close!

Wetlands are an important part of Vancouver’s ecosystem, and as young biologists, we’ll study some of wetlands features up close.

We will learn about the life cycle of a frog, study water plants, observe local birds, and do pond dipping! Each day will have a different focus and we will explore through art, drama, literature and experiments.

Wetland Wonders
Ages 5-6

Some of the most fun art to create is made of different recycled materials, mediums and of course, your imagination!

Each day will have a different focus of reusable materials and visual elements. While students will still use traditional materials such as paint, construction paper and pastels, we’ll also use natural items such as cork, stones and leaves, as well as recycled materials such as buttons, glass jars, newspapers and fabric.

Eco Art
Ages 7-9

Come and experience Pear Tree’s amazing updated version of its already much-loved Graphic Novels course!

Taking advantage of some amazing changes in technology, your child will get to create graphic novels on a level of sophistication never before imaginable and with unlimited potential.

In this course, we combine literacy, acting, photography, art and technology to create our own high-quality digital graphic novels to take home at the end of the course.

Graphic Novels ‘17
Ages 10-14
Once upon a time at Pear Tree, we had a camp about Fairy Tales! Kings, evil stepmothers, princesses and magic are some of the topics we will explore. You’ll build houses for the Three Little Pigs, bake gingerbread men, and engage in dramatic play related to fairy tales. We will even read fractured fairy tales!

This is an excellent course to develop reading and speaking skills in a fun and creative way!

Do you know what it takes to fly to the moon, or even beyond? Take a trip into space with Pear Tree’s out-of-this-world Space Invader’s camp! Train like an astronaut, build and test space technology, and learn about the possibility of living on other planets. We’ll also make lunatic landers and other simulated spacecrafts to explore life in space and other planets.

At the end of the week, we’ll apply our knowledge of space to our “Space Mission”, to see if human life can exist on a mysterious new planet.

Do you like being in front of the camera? Whether you’re interested in Talk Shows, weather reports, movie reviews, or on-location News Reports, Pear Tree’s TV reporter has something for you.

Over the week, you’ll prepare and create a series of different TV productions using digital technology, and edit them using sophisticated video editing software you’ll even use Green Screen effects! During the course, you will go on a field trip to the CTV newsroom.

This is an amazing course for developing Public Speaking skills!
Outdoor Time!

As educational experts, Pear Tree’s summer camps have a healthy balance of indoor and outdoor time. We make the most of Vancouver’s summer weather as part of our course time, field trips, and recreation.

</table>
| **SHYNESS / ANXIETY** | If your child suffers from separation anxiety or a reluctance to meet new people or participate in new activities, it is the parent’s responsibility to arrange a tour of Pear Tree’s facilities before registering. This is to give your child the opportunity to become accustomed to our new surroundings, as well as for you to determine if your child will be comfortable attending our summer camps.  
Please note that we do not provide refunds on course payments or deposits in the event that your child is unwilling to participate in or attend our course(s).  
Parents are welcome to wait in our reception area until 9.30am, but cannot remain in the classroom once the class has begun. |
| **LUNCH POLICY** | If you do not wish to choose Pear Tree’s ‘Hot Lunch’ option, you are responsible for providing your children with a packed lunch. As part of our educational philosophy of connecting education real life, Pear Tree Education strongly advises that this lunch be a healthy, well-balanced meal (i.e. one that contains complex carbohydrates, vegetables, protein, healthy fats, and ideally essential fatty acids AKA EFAs). Pizzas, hamburgers and hot dogs - even homemade versions - are not permitted at Pear Tree. |
| **‘3-BITE’ RULE** | As part of Pear Tree’s ‘Hot Lunch’ program and our endeavour to increase good eating habits habits, students are expected to sample every lunch and snack. Our general guideline is 3 bites of a variety of the ingredients, though the actual number of bites may be more/less depending upon the circumstances. If you do not support this policy, you are advised not to choose our Hot Lunch program. |
| **CLOTHING** | Children should wear appropriate clothing for the weather conditions and the nature of the activities they are participating in. As part of our policy for daily outdoor activity, we will go outside even if it’s raining. |
| **SUN PROTECTION** | Please ensure that your arrives at Pear Tree with sunscreen already applied. Pear Tree is able to apply further sunscreen if this is provided and requested. Parents are also encourage to provide their children with a sun hat and sunglasses. |
| **INDOOR SHOES** | We ask that children bring a pair of indoor shoes (e.g. slippers, flip flops) to change into. |
| **MEDICAL / DIETARY INFORMATION** | Parents are responsible for informing Pear Tree’s directors of any relevant medical and dietary information that affects your child’s safety and welfare, as well as positive participation in our courses. This includes disorders such as autism, ADHD, etc. |
| **MEDICAL TREATMENT** | By registering your child with Pear Tree, you are consenting to Pear Tree’s first aid qualified staff or an attending physician to provide medical attention to your child in the event of an accident or emergency. Parents are responsible for all costs in the event of emergency medical treatment. |
| **FIELD TRIPS** | For field trips, Pear Tree uses a combination of public buses and walking, both of which carry a degree of risk. Parents are consenting to this when registering for courses with inclusive field trips. |
| **WAIVER** | For all Pear Tree camps / courses, you agree that there is a certain degree of risk of injury involved in your child’s participation in such activities, and waive any and all right and claim for any damages of any sort or any other claim or remedy of any sort I may have against Pear Tree Education, its directors, officers, and staff, in connection with your child’s participation in Pear Tree's courses. |
| **PHOTO/VIDEO POLICY** | Parents consent to pictures and videos taken by Pear Tree’s staff to be used in promotion or advertisement for its educational services and future summer camps, including on its website and Facebook page. |
